*What is the Forestville Education Foundation?* The Foundation is *all* of us: Parents, teachers, staff, businesses and community members. We work together to give our children every opportunity to reach their full potential. The Foundation was founded over 20 years ago and has raised money and gathered resources to support school programs that would be *unavailable* to our children because of decreased funding from the State of California. *All* of the money that we raise goes *directly* to student programs and activities, such as art, music, drama, sports scholarships, field trips, and more.

- We are a Non-profit 501c3 - your donation is **100% tax deductible.**

**I want to support the Foundation in 2009-10!**
