

Forestville families,

We hope that this email finds you and your students well as we continue to move forward through this difficult and stressful time.

Over the last couple of weeks, we have all worked to transition to online and distance learning. I want to publicly thank our teachers and staff for all they have done to make this happen in such a short period of time. I also want to thank all of you for your ongoing support, patience, feedback, and flexibility as we worked to make this conversion.

Because of all of our efforts to get our students working online, get devices and the internet to families, and to help reduce the exposure to our staff, we are NO longer holding any packet pick ups on Tuesdays. Kindergarten students will have their packets mailed home.

If you are in need of a device, please contact your teacher to let them know and we will set up an appointment to get one to you. If you are in need of the internet at home, please look into these free resources in our community.

Also as a reminder, Forestville families and students continue to have access to breakfast and lunch service from 11:00am to 12:30pm at El Molino High School or from 11:30-1:00pm at Guerneville School Monday through Friday. Any school aged child can claim a lunch, even children that are enrolled in a different district. This is true for Forestville families that don't live in the local area...they too can go to a local district food distribution site and claim a meal at that location, regardless of their district of enrollment.

I will be sending another communication out soon with our updated expectations and guidelines for things like attendance and grades.

As always, if you have questions or concerns do not hesitate to reach out to your teachers, me, and/or Ms. Hegenbart. We are all ready to help however we can to finish up the end of this school year the best we can.

Thank you,  
Renee
